## **AN OPEN LETTER TO MOUNT COMMUNITY**

Dear Fellow Mount Community Members,

I have a concern which I think many of you might share. We at Doheny now have a wonderful new Learning Complex in addition to our already grand campus. With the new grass growing and other greenery in sight, we look more-and-more like an oasis in the city. However, some of us are being careless about litter and other debris, things which are marring the campus look.

This is just a reminder to ALL of us to use the trash containers and not the sidewalks when we want to get rid of the paper items from McDonalds; to use proper disposal sites for cigarette butts; to pick up our food service items and put them back where they belong rather than leaving for "someone else to pick up" – which might not be done for several hours. We need to take some pride in our campus and be responsible. It would also help if clubs and others would be sure that "old" signs/ribbons/tape were also removed from the gates, walls, trees, etc.

Let's really make an effort to KEEP DOHENY BEAUTIFUL – and a place we can be proud of for ourselves and visitors.

A Fellow Mount Community Member

## **FROM THE LEARNING RESOURCE CENTER**

Welcome, Mrs. Evans! The Learning Center welcomes Mrs. Sonya Evans to its staff. Some of you who attended Summer Skills might remember her as one of the writing teachers. Mrs. Evans will be in the Learning Center on Mondays from 3:00 – 8:00 p.m., Wednesdays and Thursdays from 3:00 – 6:00 p.m., and Friday 9:00 – 4:00 p.m.

New Hours for the Learning Center: The LRC will be open for extended hours on Mondays. It will be open from 8:00 a.m. to 8:00 p.m.

## FOR YOUR INFORMATION

Have you ever felt depressed?

Do you know how to tell the difference between occasional sadness and depression?

Did you know that one out of four (1/4) women suffer from depression at least once in their lives? That's one out of four!

Did you know that appropriate treatment can help 80% of people with depression?

If you or someone you know is depressed, you owe it to yourself to learn more.

Come to the free Defeating Depression Workshop on Thursday, October 29, from 11:15 a.m. – 12:00 p.m., in the Mega Classroom (Bldg. #4, Room #106). You'll be glad you did.

If you cannot attend the workshop, but would like more information, please call Dr. Rudin at Ext. 2668. She'd be glad to help.

\*\*\*\*\*

**CHRISTMAS FAIR PLANNING:** Just a reminder that plans are in the air for our annual Christmas Fair—with a few wonderful additions this year. More information will come soon, so be on the lookout. We need people to get started on organizing tables – with items to sell, raffles to run, etc. Individuals, groups/clubs can get involved. Applications will be available on the Delta Board (in #4, next to room 107). Pick one up and be part of the holiday fun!

\*\*\*\*\*

## FROM STUDENT SERVICES

**To A.A. Students:** If you have not done so, please pick up your yearbook from Bldg. #7, Office 1 (Student Services Center).

The Horizons Day visions project will continue. If you did not have a chance to create your own vision, you have another opportunity. We will be located outside of the cafeteria. Hours will be posted, so be on the look-out for that.

**The Father Daughter Dance is coming!** It will take place in the Mansion on Friday, November 13, 1998. You can purchase your tickets from Ana Verdin in the Student Services Center. The tickets are \$25 per couple and on a first-come-first-serve basis. If you have any questions, please call Ext. 2660.

\*\*\*\*\*

## FROM THE EARLY CHILDHOOD EDUCATION CLUB

**The E.C.E. is having their first raffle this semester!** We have two baskets containing wonderful prizes! The raffle tickets are available from any E.C.E. member for \$.75 for one ticket and \$1.00 for two. We will be displaying the prizes around campus. The raffle will be on October 29, at 11:30 a.m., in front of the cafeteria. **You don't have to be present to win.** Thank you for your support and good luck!

If you are interested in joining the club, our next meeting will be on October 27, at 11:30 a.m., in front of the Solarium above the Child Development Center. Please enter by the outside stairs on the Adams side of Bldg. #17. **Hope to see you soon!**

**To: Mount St. Mary's Students**

**From: The Bookstore**

**We are beginning our Fall Semester book returns NEXT WEEK.**

**If you have not yet purchased book(s) needed later this semester, please do so THIS WEEK, because our books are being returned to publishers.**

All are welcomed to the 5:15 p.m. mass on Tuesday, October 27, especially the confirmation candidates and their peer sponsors.

## PLACE OF THE WEEK

The **Center for Urban Partnership** is a new outreach effort on the Doheny campus located in Bldg. #1.

Community service is a vital part of student life at MSMC. Through the **Center** students can connect with community organizations "out there" in the big city. Agencies who are working with youth in gangs, single moms, and their kids, babies with AIDS, homeless people, etc. want Mount St. Mary's College students to volunteer because of our great reputation as active community leaders. These agencies are contacted by **Sr. Judy Diaz Molosky** (pictured) and then a partnership or two-way relationship is developed. If you are not in a Social Action class and want to volunteer, come to Bldg. #1, or call **Center** at Ext. 2574, Monday—Friday 8:30 a.m.-5:00 p.m. Any of our experienced staff can help direct your volunteer energies! Dr. Cheryl Mabey, Program Director, Andreen Soley, Administrative Assistant, or Sr. Judy are here to help you become more involved in solving the problems of our urban reality. Come in for a visit!

## PERSON OF THE WEEK

**JINGLE BELL TIME!** Can you hear the approaching bells of the holiday season? If so, that means that you are hearing the sounds of our Christmas Fair preparations. We are all excited about the festivities coming up on Sunday and Monday (**November 22 and 23**). Hopefully you are all saving your money to participate as happy shoppers. The items for sale will be perfect for all those gifts you need to give – and remember, you only have to go as far as Donohue!

There is still time for some of you to reserve a table to be part of the "sellers." Just pick up an application on the DELTA board (near room 107 in Bldg. #4) or call Sr. James at Ext. 2573 by the 18<sup>th</sup>. A table will be reserved for you for both of the sale days – or only one if that is better for you.

**MARK YOUR CALENDARS AND INVITE FRIENDS AND FAMILY TO JOIN US!** On Sunday (November 22) we will be open from 4:00-7:00 p.m. – come back to campus early from your weekend adventures! On Monday (November 23), only some of the tables will be open from 10:00 a.m. – 3:00 p.m. Buyers are welcome!

**DELTAS NEEDED!** With the Christmas Fair being such an important event for the campus right before the Thanksgiving holidays, we are in need of some volunteers to help "person" the tables. If you are available for a bit of time, either on Sunday or Monday (November 22<sup>nd</sup> or 23<sup>rd</sup>), please check the DELTA board and sign for a slot. It would be appreciated.

Go into your final well-prepared mentally (you studied), physically (you had a good night's sleep and a nutritious breakfast), and materially (pencils, pens, paper).

**LRC closing early for Thanksgiving holidays:** The LRC will close at 4:00 p.m. on Wednesday, November 25. It will re-open on Monday, November 30 at 8:00 a.m.

2. Congratulations to **Janell Quintero** on winning a cosmetic bag set during the Breast Cancer presentation. Enjoy your prize! Remember that the student who attends the most student health presentations will win a beautiful prize at the end of the academic year.
3. Flu vaccinations will continue to be offered through the beginning of December for only \$5.00. Get vaccinated now, before the flu season starts!
4. Chalon Health Services is open Monday-Friday, 8:00 a.m.-4:30 p.m. Remember, however, that the health care providers are only there approximately twenty hours per week. ## FROM CAMPUS MINISTRY

**WELCOME BACK: "LOVE IS AS LOVE DOES":** Is the theme for our back-to-school prayer service. We will be joined by the unity fellowship church and Rev. Frieda Lanoix will give the main address. There will be singing by our students and songs from their group accompanied by testimonies and scripture. Recalling finals week last December brings to mind the need that we all have for God. Please join us in starting this semester with hope and in welcoming guests in prayer. This will take place on Tuesday, January 26 at 5:15 p.m. in our Chapel.

**VOLUNTEER FAIR:** More and more businesses and other establishments are looking for people with some experience in volunteering. We have a perfect opportunity this Thursday, January 28, when different agencies will come to our campus. They will range from caring for babies with AIDS to mentoring troubled youth. Please come and browse from 11:00 a.m. to 1:00 p.m., either in Ahmanson Commons or in Donahue.

**JUVENILE HALL:** Her name was Mariann, and she was anxious for Monday to dawn because it would decide her fate. She was to appear in court where she would get probation for a couple of years or be sent to Chowchilla State Prison for 20 years. We talked and prayed. Come and visit young people in Juvenile Hall and bring them hope. Please sign up on the Campus Ministry Bulletin Board for Sunday, January 31. We will leave at 8:00 a.m. and return a little before noon.

## ABOUT DATING VIOLENCE...

- Did you know that the time of greatest violence against women is on Superbowl Sunday?
- Dating violence is very common—Chances are, someone you know has been a victim.
- It can have serious effects, including injuries, low self-esteem, and in the worst cases, death.

### WHAT IS DATING VIOLENCE?

It is the abuse of one partner in a dating relationship by the other partner. Dating violence can take many forms:

1. Physical abuse
2. Emotional abuse
3. Sexual abuse.

### FACTS

- Abuse is never the victim's fault!
- Abuse often follows a pattern (e.g., apologies, later followed by more abuse).
- You deserve a healthy relationship!!

### TO REDUCE THE RISK OF DATING VIOLENCE:

1. Communicate clearly—Let your partner know that you will not tolerate any abuse.
2. Trust your instincts—If you're concerned, trust your feelings because they're usually right.
3. Avoid isolated places and dangerous situations.
4. Be in control—Have your own way to get home.

### TO END AN UNHEALTHY RELATIONSHIP:

1. Believe in yourself.
2. Get out—Abusive relationships usually get worse, not better.
3. Get help—If you fear you are in danger, consider these options:
  - ◆ Call the police                      ◆ Get a restraining order                      ◆ Call a crisis hotline
  - ◆ Talk with a friend                      ◆ Go to a shelter                      ◆ Take a self-defense class
  - ◆ SERIOUSLY CONSIDER COUNSELING (even if the abuse occurred long ago).

IF YOU KNOW A VICTIM OF DATING VIOLENCE: Believe her. Support her. Encourage her to get help.

Keep in mind the LACAAW Empowerment Credo:

- ♥ I am not the cause of another's violent behavior.
- ♥ I am a worthwhile woman.
- ♥ I deserve to be treated with respect.
- ♥ I can decide for myself what is best for me.
- ♥ I am not alone. I can ask others to help me.

## E.Y.I.

**GRADUATE ALERT!** Can you believe it? We are starting to get ready for the big event of the Class of '99 already. The GRAD FAIR, better known as the time to order cap and gown, is scheduled for the end of February. Mark your calendars and be sure to reserve some time on **either Wed. Feb. 24 (from 4:00-6:00 p.m.) or Thurs., Feb. 25 (from 12:00 noon – 5:00 p.m.)**. The location will be announced later, and it will depend on the weather.

The above times have been set to correspond to the various programs on the Doheny Campus. Please make plans accordingly. (We will have another chance to order, but it helps to get as many done as possible when the Jostens' representative is here in person.)

For your information, the Mount Graduation – for all programs of the College – is set for Monday, May 17, at the Shrine Auditorium. Put this on you calendar today!

## FROM CAMPUS MINISTRY

**ASH WEDNESDAY:** Ash Wednesday ushers in the season of Lent. It is one of the two days that the Church asks us to fast if we are 21 years and to abstain from meat. Traditionally we are used to giving up things during Lent, but now the Church is asking us to look at this time as an opportunity to pray more and to do good works. As we journey toward Easter Sunday, let us feel that we have helped others to enjoy new life. **If you would like to read for Ash Wed.'s Mass, please let us know at Ext. 2672.**

**BUSY PERSONS' RETREAT:** This is a perfect opportunity to start Lent, a way to draw closer to God. Each person will meet with her Spiritual Director every day at the students convenience, and the whole group will come together for night prayer at 8:00 p.m. followed by snacks. There is still room. Please sign up by using the applications on the Campus Ministry Bulletin Board.

**SANDWICH MAKING:** One way to help people in need is to make sandwiches with other volunteers and to distribute them at McArther Park and down the alleys. This is an eye-opening experience that will make you reflect on the blessings God has bestowed upon us. We will go to the Missionary Brothers of Charity's Home on Saturday, February 27, at 9:00 a.m.

**JUVENILE HALL:** On Sunday, February 28, we will leave at 8:00 a.m. from Bldg. #10 to go to Eastlake Juvenile Hall, where our purpose for visiting the inmates is to bring them hope. Please check the bulleting board for guidelines.

**Please check Campus Ministry Board for more activities and information about Women's Month in March.**

## FROM B.S.U.

Dorothy Dandridge was born on November 9, 1922, in Cleveland, Ohio. As children, she and Vivian performed as "The Wonder Kids," touring the United States. In 1934 they were joined by Etta Jones and became the Dandridge Sisters. They were a popular act, performing at the Cotton Club in Harlem and in the motion picture "A Day at the Races" (1937). By the 1940s, Dorothy Dandridge appeared in the musical shorts, "Easy Street"; "Yes Indeed"; "Cow Cow Boogie"; "Jungle Jig"; "Paper Doll"; and "Sing for Supper." Her greatest triumph came as a film actress in the all-black musical "Carmen Jones" (1954), for which she received an Oscar nomination for best actress, becoming the first African-American woman to receive this nomination. She appeared in over twenty-five films. Dandridge married the white Las Vegas restaurateur Jack Dennison 1959, but three years later divorced him and declared personal bankruptcy. She died on September 8, 1965.

## F.Y.I.

**IT'S HERE! THE GRAD FAIR!** This is a reminder to all members of the Class of '99 that it is time to order your caps and gowns. The days are Wed. and Thurs. of this week (Feb. 24 – from 4-6 p.m. and Feb. 25- from 12 noon to 5 p.m.) The plan now is to have the Fair in front of Bldg. # 11 (Ahmanson Commons) if the weather permits. (If we are forced to move, signs will be posted.)

Be sure to mark the times on your calendar and come. Information will be available about ordering, times of ceremonies, invitations, photography, etc. This is your chance to get things done early and to avoid the rush as the time draws closer. Please try to be here. (It would be a good idea to have credit card, check or at least some cash to make a deposit on the graduation garb. Last year it was about \$45. for the total package.)

If any questions, please contact Sister James in Bldg. #2. (If you are at Chalon on Wed., Feb. 24, you may attend the Fair there in the Campus Center from 10a.m. until 3p.m. You will be able to order your cap/gown and get some information. ## FROM CAMPUS MINISTRY

**LENT:** At Ash Wednesday Mass, Fr. Danagher advised us **not** to give up things for lent but rather to give up grudges, resentments, and anger **and to do something positive**. This is really how we can best prepare for Easter, when Jesus rose from the dead. Jesus shares that fullness of life with us so let us live our Lenten Journey doing good works and making a difference at least among those we come in contact with daily. Please come by the Campus Ministry board in Bldg. #4 and take a Lenten Practice.

**SANDWICH MAKING:** It is a sacrifice to get up on a Saturday morning and give up half of your day to be with other volunteers to take care of the needy. But there is a satisfaction that comes with this act of kindness. Please join us on Saturday, February 27. At 9:00 a.m. We will leave from Bldg. #10 and will return around 12 noon.

**JUVENILE HALL:** "God is all tenderness and compassion..." That is our attitude when we visit Juvenile Hall. Please join us on Sunday, February 28 at 8:00 a.m. and we will be back a little before noon.

**BUSY PERSON'S RETREAT:** We ask your prayers to accompany the directors and the retreatants as they carve out time to be with the Lord. You are all invited to night prayers on Monday, Wednesday, and Thursday at 8:00 p.m. in the Chapel.

**Watch for exciting activities for March—Women's Month.**

## F.Y.I.

**YOU GOT MAIL!** Or do you? Have you opened your E-mail access with the college? Everyone enrolled can be on the college E-mail system called GroupWise. To open your e-mail access:

1. Go to <http://www.msmc.la.edu>
2. Click on E-mail Requests
3. Follow the directions on this page.
4. You'll need your student ID number.

Your student ID number is a seven digit number beginning with 0. This number comes printed out on a number of college reports, like your grades. But if you can't find it, your advisor, the registrar, and Sr. Carol in the Learning Center have it and will give it to you. You'll also need a password. Use your nickname, a favorite rock group, or some creative word. But don't be so creative you can't remember your password. Write your password down somewhere so in case you forget it, you can go looking for it. You'll get to use your new e-mail access within three days. Then sit at a computer and write your advisor: [tdonahue@msmc.la.edu](mailto:tdonahue@msmc.la.edu) or your teacher [aeggebrotton@msmc.la.edu](mailto:aeggebrotton@msmc.la.edu) or your friends. Sr. Carol is willing to help students get their E-mail access and will even write back to you when you E-mail her. [cbrong@msmc.la.edu](mailto:cbrong@msmc.la.edu)

## FROM CAMPUS MINISTRY

**Lent** As we continue our journey through Lent, let us remember how nature shows us how to open up to the newness of life. With a sense of gratitude and wonder we hope to realize the gifts that God has in store for us. There are three symbols of Lent: the desert, water, and the cross. This week we will highlight the spirit of the desert. The deserts are special worlds where we find ourselves alone. The desert is reserved for those who haven't forgotten God; for those who don't fear the grace discovered in silence. Take the second week of Lent to acclimate yourself to be alone in the desert. Become open to natural sounds; be gentle with yourself as your pace becomes slower. As you move through the week, be conscious of creating a desert-like state in your every-day life and enjoy the blessings of greater awareness.

**Sacrament of Reconciliation (Confession):** We will celebrate the Sacrament of Reconciliation on **Wednesday, March 3, from 5:00 – 6:00 p.m.** and also **from 7:00-8:00 p.m., in the Donohue Center.** You will have an opportunity to confess anonymously or face to face. Let us remember that reconciliation is one of the seven sacraments, and each of the sacrament brings us closer to God. Please join us in this celebration in becoming simple with your time, space and person.

Our next **Campus Ministry meeting**, will be held tomorrow, **March 2, 1999, at 11:15 a.m. on the 1<sup>st</sup> floor of Bldg. #7.** Come, bring your lunch and friends, too, and join us in creating new ideas for our Campus Ministry.

**Our Voices Were Head!** Thanks to all of you that took the time to send seeds to your legislators. Congress finally passed the "Africa: Seeds of Hope Act."

## FROM THE LEARNING CENTER

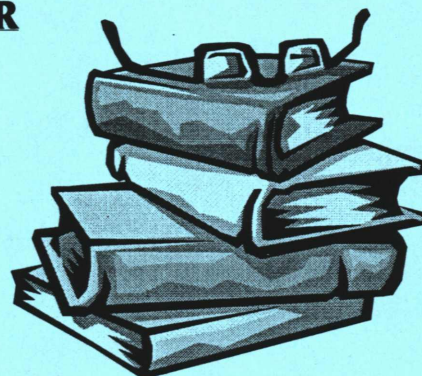

### Mid-semester and Deficiency Notices: What do I do if I get one?

These notices are given out by the teachers for a number of reasons:

- \* to alert you to your grade at this point (mid-semester notice)
- \* to warn you that you could get a poor grade (deficiency notice)
- \* to tell you they're worried about you
- \* to "get a little fire going" inside you

If you get one, you should:

- \* go see the teacher
- \* pay attention to the comments that the professor wrote
- \* get help (tutor?) from the Learning Center, or ask a friend who is doing well in that class if you can study with her
- \* change your habits in that class: sit up front, don't miss any class, come to class prepared by having read the chapter before the class and again after the class
- \* take good notes; ask a friend to meet with you afterwards and go over your notes together
- \* cry for awhile, pray a lot, become determined to begin again with more effort

If you get one:

- \* **don't** quit going to class
- \* **don't** give up
- \* **don't** rely only on yourself

## FROM CAMPUS MINISTRY

**LENT:** We are in the third week of Lent, almost half way through our journey with Jesus. Last week we spent some time in the desert, listening and being mindful of nature. Being all alone in the desert, we confront ourselves and discover the great need we have for God.

The theme for this week is water. Water cleans; it refreshes us when we drink it, bathe in it or swim. We cook with water, brush our teeth, water our plants; the list goes on and on. How does this relate to Lent? Well to begin, Jesus was baptized before he went to the desert. We as Christians are baptized to be cleansed of our sins. We are introduced to God's family and become a temple of the Holy Spirit. For the next two weeks, let's be conscious of when we use water and relate it to our efforts in making this Lent special.

**TAKE BACK THE NIGHT:** On March 24, Wednesday, actor Victor Rivers, will come onto the campus to talk about Domestic Violence. (He has appeared in **The Mask of Zorro**.) After his presentation, he will lead us on a tour of our neighborhood where we will take back the night. More information will be posted on the Campus Ministry Bulletin Board.

**VOCATION NIGHT:** The experience of being with the Sisters was so good that we are having another time/dinner with the sisters. For those of you who missed the first vocation night you, have an opportunity to join us. This will take place on Monday, March 22, at 5:30 p.m. in the Mansion. This is a special time when you can ask any Sister anything you have ever wanted or were curious about a sister's life. Please check the Campus Ministry Board to sign up.

**A VISITOR FROM CHILE:** MAGGY VILLENA will speak on "The Young Latin American Woman in Transition" next Wednesday, March 10 at 7:00 p.m. in Donohue. Maggy is currently ministering with youth and young adults in a city near Santiago. She has a wealth of experiences and is very entertaining. Please join Campus Ministry and Voces Latinas in sponsoring this worthwhile event. Maggy will speak in **SPANISH**.

**RECYCLING:** HELP! HELP! We would really appreciate it if you would empty your bottles before tossing them into the blue bins. Also, we would be eternally grateful if you wouldn't throw trash in any of the recycle bins. **THANK YOU.**

**CSJ APPRECIATION MASS:** A big day for the Sisters on campus is the feast of St. Joseph on March 19. Since we will be on Spring Break, we will celebrate this special event on Tuesday, March 23 at 11:15 a.m. Mass. We would like especially to honor Sr. Therese and Sr. Leo Francis who are both celebrating 50 years as a sister. Congratulations. All are welcomed to come.

## From the Dean's Office:

We would like to share with you significant news about the Doheny Campus of Mount St. Mary's College. **Sister Kathleen Kelly, Vice President for Doheny and Dean of the Associate in**

**Arts and Graduate programs,** has announced that she will be leaving her position effective June 30.

Sister Kathleen has been such an integral part of this campus that it is difficult to imagine Doheny without her. She has, in fact, been directly involved in the development of the programs that are the heart and soul of Doheny.

When Sister Kathleen first arrived on campus in 1981 as Dean of the Associate in Arts Program there was a student body of approximately 100, with about 30

students in residence at Stimson House (now a Sisters' residence) on Figueroa Street, and the pool was "off limits" to students. The pool was made available for students' use, but the "bad news" was that within the next few years the B.A. Nursing Program Sophomores were moved to the Chalon Campus; we no longer had a Nursing Program (A.A. or B.A.) at Doheny – and we had lost a large portion of our student body due to the department's move to Chalon. Sister Kathleen's challenge was to develop new programs that would attract other students and increase enrollment. Over the years she has expanded the Liberal Arts Program, developed the Pre-Health Science Program, created the Alternative Access Program which emphasizes the "2 + 2" articulation transfer to Chalon, and helped to develop and implement the HOPE Program.

In addition to her administrative responsibilities, Sister Kathleen also found time to teach – at Chalon, courses in Asian History, the History of Modern Japan, the History of Modern China, and a Seminar on the Development of the People's Republic of China; and at Doheny, History and Cultural Geography, and the development and co-teaching of a pilot course in the Introduction to the Humanities.

Doheny's Alternative Access Program, mentioned above, has become a nationally-recognized model for other colleges and universities, praised by the American Council on Education (ACE), the Western Interstate Commission for Higher Education (WICHE), the Ford Foundation, and many other prestigious groups.

In 1984, McIntyre Hall was constructed as well as Our Lady of Mercy Chapel. In the summer of 1984 AT&T used the new residence facility as its communication headquarters for the Summer Olympics. For this use, AT&T paid the College over \$1,000,000 and also left us a brand new telephone system — at the time, completely “state of the art.” Most recently, Sister Kathleen has overseen the construction of the new Fitness Center, the Pool House, and of course you are all witness to her major victory in the completion of the Sister Magdalen Coughlin Learning Complex after long delays forced by a small group of “neighbors.”

Doheny has grown in stature and in numbers since Sister Kathleen's arrival, from 100 students to 750, from 30 residents to “maxed out” at 161, yet under her gentle hand our beautiful campus remains a calming oasis in the middle of inner-city Los Angeles.

Sister Kathleen is *not* “retiring,” however. In Spring 1998, Sister Kathleen was chosen by the Los Angeles Province of the Sisters of St. Joseph of Carondelet as **Assistant Provincial Superior**, and Sister will be moving to that position full time this summer. As Assistant Provincial Superior, Sister Kathleen will be working with Sister Maureen O'Connor (Provincial Superior) and Sister Claire Marie Williams (Assistant Provincial Superior) in guiding CSJ community life and ministries, which include Mount St. Mary's College, secondary schools, and hospitals in California, Arizona, Washington and Idaho.

**Sister Janet Duffy** will move from Associate Dean to **Dean of the Associate in Arts Program, Doheny Campus**, effective July 1.

Please let Sister Kathleen (*and* Sister Janet) know how very much we appreciate their love and stewardship of the Doheny Campus!

The Faculty of the Year will be announced at the Graduation Banquet on April 21<sup>st</sup>. This is your opportunity to let your professors know how much you appreciate them.

## FROM THE LEARNING CENTER

**"I Didn't Study the Right Things."** Did you cram for a test then not do well? Rather than, "I didn't study the right things," you should be saying, "I didn't study everything." Here's a way to study it all.

### Flash Cards as a Memory Aid

Flash cards can be used effectively to learn both large amounts of specific facts and general principles. Factual flash cards can be made for vocabulary words, formulas, equations, definitions, date, names, etc. General principle flash cards might be made for main ideas on a given topic, lists of characteristics, cause-effect relationships, categorizing groups of items, etc.

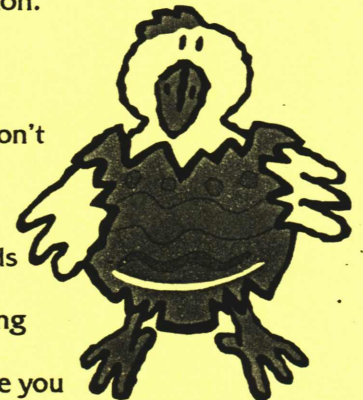

Coding the flash cards by color to signify different topics, or by date of lecture, or page where the information can be found is a good idea for later use. Frequent review of cards is what makes them effective. Short reviews frequently repeated will usually be more effective than long sessions of cramming.

**Remember:** While flash cards do take time to make, the writing of the cards is in itself an aid to memory! It forces you to organize the material and break it down into manageable bits of information.

### Suggestions:

1. Review cards often. Carry them with you to class or work.
2. Prepare the cards well in advance of the test date.
3. Spend most of your time studying the cards you do not know or are not sure of. Don't waste time studying the cards you already know.
4. When learning cards for the first time, break them up into small groups. Learn one group at a time and review all of the cards from time to time.
5. Sort in chronological or sequential order. Make sentences from the vocabulary cards in a foreign language. This helps you to apply what you are learning.
6. Sort the cards by topics or relationships. You may want to color code topics by using colored dots. This helps keep the overall organization of the course in your mind.
7. Ask questions you think will be on the exam and sort for the answers. This will give you practice on retrieving information from different points of view.

Shuffle the cards frequently and flip through them rapidly. Do this to avoid learning the cards in a certain order.

## FROM THE ALUMNAE OFFICE

## F.Y.I.

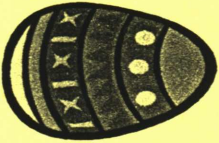

**Annual Doheny Blood Drive:** The time is almost here for our Spring Blood Drive and we need your help.

The date: Monday, April 12  
The place: Donohue Conference Room (Bldg. #15)  
The hours: 9:00 a.m. until 3:00 p.m.

So, look at your calendar and find where you can fit us in on that Monday. It will take only about an hour of your time, and it will be appreciated by many. Please give the time and the gift of life. A sign-up sheet is on the 48-Hour Board in Bldg. #4. You may sign up there or through one of the recruiters on campus. Or, if easier, just call Sr. James at Ext. 2573 to make an appointment.

**Graduation:** All members of the Class of '99 are reminded to hand in their information sheets – whether attending the ceremonies or not. This is our way of checking that we have reached everyone. We are ticketing the ceremony this year and want to be sure we share the tickets evenly. Those who wait till the last minute or change their mind about attending Commencement might find themselves without seats for their family. (Tickets are not required for Laurel Day – May 15 – but we need a number to be able to prepare refreshments for your guests.)

**Thank you.** We wish to extend our thanks to all those who participated in and attended this year's Siena Day last week. It was a wonderful event despite the weather which celebrated the diversity of our times and within the college community. We especially thank the Siena Committee and those who performed, as well as those who provided desserts and displays. Special thanks go to Food Service for adapting so efficiently and the wonderful "slice of rice, frioles and greens." The last Siena Day of the millennium was truly a success!

## FROM CAMPUS MINISTRY

**HOLY WEEK:** Yesterday, many of us received blessed palms as a reminder of Jesus' entrance into Jerusalem some 2000 years ago. The significance of this event for us Christians and Catholics is that this entry marked the week of Jesus going to his death on the cross. The **Triduum is the three last days of Jesus' life.** Holy Thursday marks the Last Supper and Jesus inviting us to partake of his body and blood. Next is Good Friday, when Jesus dies on the cross and is laid in the tomb. And then there is Holy Saturday. This is celebrated in grand style, usually in the evening with the blessing of water, new fire, and the paschal candle in anticipation of the coming dawn – Jesus' resurrection.

Let's make an extra effort to do acts of kindness and to attend a service at a parish church.

**Remember that GOOD FRIDAY is a day of fast and abstinence.** Please look on the Campus Ministry Board for more information.

† † †

**ST. VINCENT'S SHELTER:** Today we will cook for the men at the shelter. This is a great reminder of people who have less than we do. Even if you don't cook very well, join us by coming to the Mansion at 5:00 p.m.; there is always plenty to do! At about 7:00 p.m. we take the food over and talk and eat with the men. This has always been a high point of our visit. If you would like to accompany us, please give Campus Ministry a call at Ext. 2672 or sign up on the Campus Ministry Board.

**CAMPUS MINISTRY MEETING: LOOK ON THE CAMPUS MINISTRY BOARD FOR OUR NEXT MEETING!**

**THANKS TO ALL WHO PARTICIPATED IN OUR ACTIVITIES THIS PAST MONTH.  
LOOK FOR THE NEW ACTIVITIES FOR APRIL.**

If you do not have an appointment, but would like to be part of the event, drop over anytime between 9:00 a.m. and 3:00 p.m. to see if you can be added to the list. 1. Just another reminder that we are sponsoring a VISION SCREENING that will take place on **Wednesday, April 28<sup>th</sup> from 8:00 a.m. – 12:00 p.m. in the Donohue Center.** It takes about 15 minutes to have your eyes checked by an optometrist. Do you have a hard time reading the blackboard?

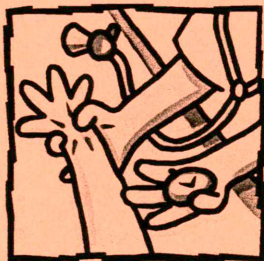

Are you squinting a lot?

Do your glasses or contact lens prescription need to be changed?

Has it been a long time since you've had your eyes checked?

Well, if you answered yes to any of these questions, you would benefit from the Vision Screening. So please call our office to schedule your appointment or you can sign up on the 48-Hour bulletin board. Faculty, staff, and administration are also encouraged to take this opportunity for only \$2.50. What a deal!

2. We are beginning the process of interviewing for S.H.A.C. members for next year. ## **FROM THE ADVISEMENT CENTER**

**SUMMER SCHOOL:** Don't forget to file a **Transfer of Credit Clearance Form** in the Registrar's Office before registering for summer classes off campus to ensure that they are approved and transferable. Be sure to request that your summer transcript be sent to the Registrar's Office at MSMC.

**Transfer of Credit Clearance Info:** If you are planning to attend summer school, you need to do several things:

- Decide what you will take and where you will take the class.
- Verify that those classes are going to be offered. Most of the Community Colleges will have their summer schedules ready soon. At many colleges you must enroll before you are able to register for classes.
- Check with your Advisor/Advisement center to be sure the courses are transferable to MSMC and satisfy what you intend to do.
- Get a **Transfer of Credit Clearance Form** from the Advisement center. If you are taking two classes at the same college, you may indicate both classes on the same form.
- Get your advisor's signature and turn the form in to the Registrar's Office.
- If you cannot complete the necessary paperwork before May 14, be sure to phone and confirm a time to meet with your advisor or Sr. Therese before coming on campus.

## **F.Y.I.**

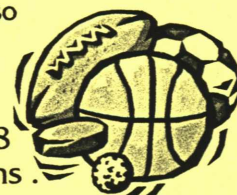

**GRADUATE ALERT!** By now many of you will have received your letter and picked up your Commencement tickets. If you have not, please see Sr. James as soon as possible. These are the ones you requested when you came to the Grad Fair/returned forms. There is no

limit on tickets but at the present time we are handing out only as many as 16 per person. We want to be sure we have enough for everyone who is graduating. After May 1, you may pick up the remainder of your tickets. (Seating is open, but the Shrine only allows us as many tickets as they have seats and we want to be sure that all are being used.)

It would help if you would bring a list of your guests if you have requested over six tickets. This takes a little time, but it seems the fairest way with so many graduates. In addition, there was information about a video—one to be professionally made. The cost is \$100 but it will really be a wonderful keepsake – with footage not only of the Graduation, but of both campuses, with music and interviews. Please consider this purchase – or suggest to family that it would be a gift to treasure and share with others who are not able to attend. (The deposit can also be paid to Sr. James.) Further information on Graduation will be posted on the bulletin board in Bldg. #4 nearest to room 107. Watch for it.

**Attention: Soccer Players.** We will practice Monday, April 26 and Wednesday, April 28 at 6:00 p.m. We will meet in front of Bldg. #1. Call Ext. 2871 if you have any questions.

## **FROM THE LEARNING RESOURCE CENTER**

**Proficiency Tests:** Those who haven't passed certain proficiency tests should plan to re-take the tests this week. You don't need to make an appointment if you come on the day the test is given. If you can't come that day, please call Sr. Carol (Ext. 2690) and make an appointment to take the test on another day. Students must pass all the proficiency tests to receive an AA degree or to transfer to Chalon.

**SCANTRONS:** When the bookstore is closed, the LRC will sell scantrons. Since the LRC does not want to undersell the bookstore and because the LRC would like students to plan ahead and buy the scantrons at the bookstore, the selling price of a scantron at the LRC will be **\$ .20**.

## **FROM THE STUDENT HEALTH OFFICE**

1. Just another reminder that we are sponsoring a **VISION SCREENING** that will take place on **Wednesday, April 28<sup>th</sup> from 8:00 a.m. – 12:00 p.m. in the Donohue Center**. It takes about 15 minutes to have your eyes checked by an optometrist. This is an opportunity you don't want to miss. It is absolutely **FREE** to all the students.

Do you have a hard time reading the blackboard?

Are you squinting a lot?

Do your glasses or contact lens prescription need to be changed?

Has it been a long time since you've had your eyes checked?

Well, if you answered yes to any of these questions, you would benefit from the Vision Screening. So please call our office to schedule your appointment or you can sign up on the 48-Hour bulletin board. Faculty, staff, and administration are also encouraged to take this opportunity for only \$2.50. What a deal!

2. We are beginning the process of interviewing for S.H.A.C. members for next year. S.H.A.C. stands for Student Health Advocate Committee who are involved with providing health educational programming and activities to the students. I will be selecting three or four students for the 1999-2000 academic year. If you are interested in applying to become a S.H.A.C. member, please call to set up an interview.

If you have any suggestions, comments or questions, please feel free to call me. Your health and well-being are my priority.
